What happened?

Please tell us what happened, and the events leading up to it, to help us identify if an offence has been committed.

The crime is pretty much a continuation of the abuse of mine that I reported as a crime before (BCA-43932-25-0101-IR).

I am writing to report a specific incident that constitutes harassment and is deeply offensive to me. On 4th of September, 2025, today, during a phone call: 020 35 35 35 35, I was deliberately called by a name that is offensive and not

my legal name. I have previously made it clear that this term is unacceptable and cannot be used to address me. Despite this, the individual persisted in using it, which I find to be a targeted and intentional act of disrespect. As an autistic person who has legally changed my name by deed poll to reflect my identity, I find this insistence particularly distressing and unacceptable.

This behavior is not only offensive but also a form of harassment, and I will not tolerate it. I wish to pursue this matter to the fullest extent possible and seek prosecution for this latest instance, ensuring that appropriate consequences are enforced.

Signed,
